

inalienable rights. They demand freedom. They chant: "Libertad." They chant: "Patria y vida." And they converged on the Communist Party headquarters responsible for 60 years of misery, abuse, and torture of the Cuban people.

Cubans have rejected the failed ideology forced upon three generations—the failed ideology of Marxism that has brought suffering to hundreds of millions around the world, the failed ideology that deserves to be sent to the ash heap of history once and for all.

As Communists often do, they concocted a conspiracy theory to explain the people's protests. The Communist dictator Miguel Diaz-Canel even claimed it was a U.S. plot. This is what Marxists do, of course. They lie. They will lie, they will commit violence against their own people, and they will try to suffocate the calls for freedom.

But this movement will not be silenced. It cannot. It mustn't. For too long this once flourishing island has suffered under Communist rule, and now the calls for freedom must be heeded: freedom from oppression, freedom from abuse, and freedom from tyranny. The downfall of this regime has been a long time coming. No more is it patria o muerte—country or death—but as the people across Cuba know, it is patria y vida—country and life.

As Americans—as a people who have inherited the greatest gifts of freedom the world has ever known—we must speak with one voice against the evils of Marxism. We must speak truth, a truth that not enough Americans are used to hearing. Instead, we have American politicians who openly advocate for the very same Marxist ideology that Cubans would die to escape from. This ignorant and foolish flirtation with Marxism must end, and we must make it clear that we will always support freedom-loving people around the world.

Our message will be one of empowerment: empower the brave Cuban people as they begin to throw off the chains of Communism and seek their inalienable, God-given rights of life, liberty, personal property, and the right to pursue their happiness.

So to the men and women of Cuba, I say this:

(English translation of the statement made in Spanish is as follows:)

We see you. We hear you. We are with you. Let us no longer shout homeland or death but homeland and life. And begin to build what we dream of. What they destroyed with their hands.

Te vemos. Te oímos. Estamos con ustedes. Ya no gritemos patria o muerte sino patria y vida. Y empezar a construir lo que sonamos. Lo que destruyeron con sus manos.

Madam Speaker, to the Communist regime in Cuba, I say this: Your lies are exposed, your foundations are shaken to the core, and your days are numbered.

The SPEAKER pro tempore. The gentleman from Texas will provide a translation of his remarks to the desk.

## RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess until noon today.

Accordingly (at 10 o'clock and 50 minutes a.m.), the House stood in recess.

□ 1200

## AFTER RECESS

The recess having expired, the House was called to order by the Speaker at noon.

## PRAYER

The Chaplain, the Reverend Margaret Grun Kibben, offered the following prayer:

Almighty God, we lift up our hearts and call upon Your name. For the promise of Your endless love is better than the ephemeral thread of life we hold on to so dearly. So long as we live, may we praise You.

When we gaze on Your handiwork, we are overwhelmed with Your glory; we are humbled by the span of Your extensive reach.

From Your temple, hear our voice. As we approach You in the sanctuary of Your extraordinary creation, draw near to You in these hallowed halls of freedom and justice, or discover You in the precious intimacy of our time with friends and loved ones, everywhere we are, we find ourselves in Your compassionate presence. Give us faith to see Your involvement in all areas of our lives. And receive us with mercy when we acknowledge our powerlessness without You. Encourage us when our souls are wearied with longing for the peace of mind only You can provide. Strengthen us when our bodies are faint with thirst and yearning for the sureness found in You.

We lift up our hands in prayer and call upon Your name that You would satisfy our needs this day.

Amen.

## THE JOURNAL

The SPEAKER. Pursuant to section 11(a) of House Resolution 188, the Journal of the last day's proceedings is approved.

## PLEDGE OF ALLEGIANCE

The SPEAKER. Will the gentleman from South Carolina (Mr. WILSON) come forward and lead the House in the Pledge of Allegiance.

Mr. WILSON of South Carolina led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

## ANNOUNCEMENT BY THE SPEAKER

The SPEAKER. The Chair will entertain up to 15 requests for 1-minute speeches on each side of the aisle.

## OPEN THE UNITED STATES/ CANADA BORDER

(Mr. HIGGINS of New York asked and was given permission to address the House for 1 minute.)

Mr. HIGGINS of New York. Madam Speaker, for the past 16 months, the United States' border with Canada has been closed to nonessential travel, tearing loved ones apart, preventing people from accessing cottages that they own, devastating businesses and local economies on both sides of the border.

This week, the Canadian Government announced plans to reopen the border to fully vaccinated Americans on August 9. On January 21 of this year, we were promised a plan would be developed by the United States to address travel to Canada within 14 days.

Madam Speaker, 180 days have now passed. We are still waiting for that plan. The United States Centers for Disease Control and Prevention publicly advised that fully vaccinated Americans are free to safely resume all pre-pandemic activity. It is time for the United States to align its border policy with the science, with the facts, and with the data. Action is long overdue. Open the U.S. border to our Canadian neighbors.

## REQUEST TO CONSIDER H.R. 18, NO TAXPAYER FUNDING FOR ABOR- TION ACT

(Mr. BOST asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BOST. Madam Speaker, as a father of three and a grandfather of 11, I know what the love of family feels like and how we love our children and when that child takes its first breath.

For over 40 years, the Hyde Amendment has prohibited taxpayer dollars from being used to fund abortion. Both Republicans and Democrats have supported it. However, President Biden's budget plan will remove this vitally important protection. That is why I am proud to cosponsor H.R. 18, the No Taxpayer Funding for Abortion and Abortion Insurance Full Disclosure Act.

This bill will make the Hyde Amendment permanent. Today, tomorrow, and every day, I am proud to stand for life.

Madam Speaker, I ask unanimous consent that the Committees on Energy and Commerce, Ways and Means, and the Judiciary be discharged from further consideration of H.R. 18 and ask for its immediate consideration in the House.

The SPEAKER pro tempore (Mrs. DINGELL). Under guidelines consistently issued by successive Speakers, as recorded in section 956 of the House Rules and Manual, the Chair is constrained not to entertain the request unless it has been cleared by the bipartisan floor and committee leaderships.

## CHILD TAX CREDIT

(Mr. LIEU asked and was given permission to address the House for 1 minute.)

Mr. LIEU. Madam Speaker, 5 days ago, millions of American families with children received Child Tax Credit refunds deposited directly into their bank account. This is hundreds of dollars that they could use for childcare expenses, to put gas in their cars to go to work, and to help fuel our economy.

This is going to happen again next month, and again in the middle of September. And these payments go out again the middle of October, and again the middle of November, and again the middle of December. This is critical lifesaving money. These are tax cuts directly to the American people.

And how did this happen? It happened because every Democrat voted for the Child Tax Credit. Every Republican voted "no." We want to give Republicans another chance at this. We are going to try to make this Child Tax Credit permanent. We want this tax cut to the American people permanent, and the contrast could not be clearer. When Democrats are in control, we give tax cuts to the middle class.

## BIDEN INFLATION TAX

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Madam Speaker, inflation threatens American families due to the out-of-control spending by President Joe Biden.

Biden inflation directly impacts the day-to-day well-being of American families. Inflation is currently rising at the fastest pace in 13 years. And Biden has proposed an irresponsible \$3.5 trillion deal that will increase taxes.

Last month, consumer prices jumped 5.4 percent. Gas prices are up a huge 4.1 percent, and milk is up 5.6 percent. What Biden doesn't seem to realize is that these costs negatively affect the lower and middle class more than anyone else. Wasteful spending and taxes will only make matters worse. Inflation is Biden taxation, and the American families deserve better.

In conclusion, God bless our troops, and we will never forget September the 11th in the global war on terrorism. God bless the courageous citizens of Cuba standing up for freedom and liberty from the failed socialist oppressors.

## REMEMBERING RAMSES O. AGUINAGA

(Mr. CORREA asked and was given permission to address the House for 1 minute.)

Mr. CORREA. Madam Speaker, today I rise to remember the life of Santa Ana Police Officer Ramses Aguinaga,

who was tragically taken from his family by cancer. Ramses was a leader in the community where he grew up. He was a smart and caring person who always made an effort to understand each and every individual in his community.

In high school, he played football for Mater Dei High School where he was a key player in making sure that Mater Dei won the Southern Section Division championship.

In college, Ramses became interested in criminal justice and spent 16 years as a police officer. But his greatest accomplishment was the birth of his son, Mateus Aguinaga, and Ramses loved this child, loved him to death.

Ramses passed away in peace. His family mourns him and will never forget how he brightened the lives of so many of his friends and neighbors where he grew up. He was a loving father, a thoughtful son, a caring brother, and a role model for our community.

## CONGRATULATING LUMBEE TRIBAL COUNCILMAN TERRY HUNT

(Mr. BISHOP of North Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BISHOP of North Carolina. Madam Speaker, today I rise to congratulate Lumbee Tribal Council member, Terry Hunt, who during July's council meeting was honored for nearly three decades of service in the U.S. Army and the North Carolina National Guard where he served as a Command Sergeant Major.

During the meeting, Councilman Hunt was bestowed with the Old North State Award, which honors guard members who have served at least 20 years and who have shown a dedication of service beyond expectation. He was also awarded the North Carolina Association Certificate, which honors National Guard retirees.

Councilman Hunt was elected to the Tribal Council in 2018, representing District 14, which includes communities in Eastern Robeson County. I am proud to work alongside him and the other members of the council as we pursue long-overdue Federal recognition for the Lumbee.

Congratulations to Councilman Hunt on this great honor. The people of North Carolina are grateful for his service.

## RISE IN CRIME

(Mr. GUEST asked and was given permission to address the House for 1 minute.)

Mr. GUEST. Madam Speaker, America is a nation of laws, but in many parts of our country, the rule of law is under attack. At a time when the Nation should be reopening and healing, we see rising crime in many cities across America. And where this rise of crime is most prevalent is in cities

that have decreased funding for its officers.

In 2020, we saw the highest number of murders in over 25 years. And now in 2021, we have seen a spike in violent crime and attacks against law enforcement officers. The Defund the Police movement has been the catalyst behind this rise in crime and attacks on our law enforcement. It has fueled hatred against our fellow citizens who risk their lives to protect us from crime. And sadly, there are many progressive members in this Chamber who have supported this dangerous movement.

The first step in addressing the increase in crime is not banning guns from law-abiding citizens as proposed by the President. Rather, we must reject the Defund the Police movement and ask those that support it to recognize its disastrous impacts on our communities.

## TRANSATLANTIC ENERGY SECURITY

(Ms. KAPTUR asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. KAPTUR. Madam Speaker, as co-chair of the bipartisan Congressional Ukraine Caucus, I rise to express my deep concern on the issue of transatlantic energy security. The Kremlin and complicit European nations are seeking to complete the Nord Stream 2 Pipeline. This Russian malign influence project will increase Vladimir Putin's leverage in Europe and disrupt the NATO alliance.

Current news reports indicate that a deal between the Biden administration and Germany is imminent. According to these reports, there is little in the deal that will prevent Russia's capacity to coerce our allies. Congress understands history's key lesson: When Germany and Russia collude, the people of Central and Eastern Europe pay the price.

Congress has now voted twice on an overwhelming bipartisan basis to sanction the Nord Stream 2 Pipeline. These sanctions are mandatory, not discretionary. Given the administration's abuse of the sanctions waiver, I was pleased the Committee on Appropriations unanimously adopted my bipartisan amendment to repeal the waivers moving forward. While I look forward to reviewing the deal, the Congress—as Article I of the Constitution mandates—must reject any deal that fails to prioritize energy security in the transatlantic alliance.

## COMMUNITY SERVICE BLOCK GRANTS

(Ms. TENNEY asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. TENNEY. Madam Speaker, for the past 40 years, community service block grants have been vital to providing communities the resources
